## April, 2008 “Turnings”

The March 20, 2008 Ocean Woodturners meeting was replaced by four Open-Shop meetings held at the workshops of members Bill Smith, Wayne Collins, Jim McGrath, and Angelo Iafrate.

### Bill Smith’s Open-Shop Meeting

In attendance at Bill’s Open-Shop meeting were:

**Bob O’Connor, Randy Jorgenson, Bob Harrison, Bob Otto, Dick Rinkaus, Rudi Hempe, and Jules Cohen.**

Bill Smith reported that no one was injured, and along the way they started and finished a bowl.

## Wayne Collins' Open-Shop Meeting

In attendance at the Tivertyon Middle School were:

**Rick Sousa, Mark Nadeau, Paul Tavares, Tom Marshall, Gregg Marshall, Rich Lemieux, Ernie Grimes, Emilio Iannucillo, Bill Mershon, Kevin Kempf, and Mike Murray.**

Non members present were: **Owen Leary, Tim Leary, Travis Doumoney, Tyler Doumoney, Michael Raposa, Michael Raposa Jr., Jim Mann, Cody Albernaz, and Mr. Albernaz.**

From the photos, it was obvious that Rick demonstrated his tool-making skills, and there was a lot of turning by students of the Tiverton Middle School.

## Jim McGrath's Open\_Shop Meeting

In attendance at Jim's Open-Shop meeting were:

**Jeff Mee, Richard Murphy, George Nazareth, Cory Jengo, Anthony Scuncio, Tom Powell, Don Ledversis, and Bill Beaudoin.**

Jim demonstrated coring out three platters with a curved tool. Members attending tried their hands at this task. Jim also explained how he partially makes up numerous pens in advance of demonstrations, so observers can select a pen, and he can complete the pen in under 20 minutes. Jim also demonstrated his very effective vacuum chucking system. Jim obviously has a well organized mind.
