June, 2008 “Turnings”

**The June meeting is cancelled.
The Richard Raffan Demonstration
on Saturday, June 28, 2008 will
replace our June meeting.
More about this Demo later in this newsletter.**

Mark Nadeau has agreed to take photographs at our meetings, relieving me from that task. Whenever Mark cannot make a meeting, he will notify me, so that I can get someone else to use my digital camera to take photos. The photos of Show and Tell, and the demonstration in this issue of “Turnings” were taken by Mark, a real improvement from my photos.

Demonstration

Joe Atkinson demonstrated how to turn a lidded box. He didn't think he could turn a credible box in the time allotted, but he proved himself wrong. He turned quite a fine box.

The Richard Raffan Demonstration

The Ocean Woodturners is sponsoring a demo by Richard Raffan on Saturday, June 28, 2008 at the Cold Spring Community Center in North Kingstown, RI. It will begin at 10:00 AM and finish at 4:00 PM, with a free light lunch and beverage around noon. If anyone is a vegetarian, or has any special dietary needs, we want to know so we can accommodate your needs.

The charge for attending this demo is \$30.00 in cash, and you can pay at the door. We would like to have an idea of how many people will be attending, so anyone planning to come, should let me know by e-mail or by phone. My name is George Nazareth, my e-mail address is: georgeanddolores@cox.net , and my phone is: 401-333-6119. We need this information to insure that we have enough food for the lunches.
