# December, 2008 “Turnings”

The Nominating Committee composed of Larry Dunklee and Richard Murphy reported their slate of officers for 2009.

**President- Wayne Collins**

**Vice President- Mark Nadeau**

**Treasurer- Bob Hopkins**

**Secretary- Bernie Feinerman (possibly jointly with Alan Gates)**

Guest: Charles Nelle joined the Ocean Woodturners this evening.

A motion was made and passed to give the outgoing Secretary, George Nazareth, a gift certificate to take his wife out to dinner.

Woodcraft has offered to have a gift registry for our members where friends and relatives can select gifts that you want for Christmas.

Henry Allsworth announced he had everything ready for the Jeff Lavine Demonstration. A motion was made and passed that the club purchase a sound system for future use at our demonstrations. Larry Dunklee agreed to look into perhaps renting a sound system with an option to buy it if we liked it. More information on this at our December meeting.

## Demonstration

**Marc Blanchette** demonstrated what he had learned about making Christmas Ornaments by watching a video he rented from our club Library. He also demonstrated several suggestions he received from club members that were better than what was shown on the video which really did not work for him.
