Newsletter and Minutes of the June 15, 2017 meeting

Sawdust & Shavings:

Roland Lavoie

We're looking for members of the Club to do demos right at our regular Club meetings... Whatever skill you have or a new trick you learned, contact me and we'll set you up. You'll be helping your fellow members advance their skill sets as well!

-Roland

Demos – We need Club members to do demonstrations at our monthly meetings. If you can do a demo for us, please talk to Roland as soon as possible.

For sale – We have the items for sale from Phil M. the past member who recently passed away. There will be an auction of some of these items in the near future, please stay tuned! The Club has sent a letter of thanks to Mr. Mershon's family for the generous donation.

September Meeting – Bill Smith has again generously offered his home for an OW gathering in September. More details will be available at the August meeting and on the Yahoo newsgroup.

Show and Tell

Ed Keenan

Red Mallee Burl dish, spray lacquer finish

Alex Amoruso

Forms created with a new tangential turning technique, involving the use of a displacement cone on the top and bottom, giving this spiral effect across the body.

Mike

Several turnings from dimensional lumber, Tiger Maple, and Walnut

Show and Tell (Cont.)

Paul Grenier

Cherry burl bowl with wipe-on poly finish. and an Oak hollow vessel

Roland Lavoie

Roland developed a new technique for turning his heart dishes, which allows for more of the heart shape to be visible in the finished form.

FREE LATHE:

Studio Dunn is offering their large General lathe for free to a member of the Ocean Woodturners. If you are interested in the machine, please contact Topher at topher@studiodunn.com or call 401-316-1142. The machine does not have a tailstock quill but seems to be in otherwise working order. This machine will not last, so call immediately if you are interested.

Demonstration

Nigel Howe Gives an Overview of Surface Embellishment Techniques

Nigel visited us from the South Shore to share an overview of the surface embellishment techniques he uses to give his turned pieces some flair. From piercing to dyeing to airbrushing to carving, Nigels' overview covered a wide array of possibilities. For the complete Demo and descriptions, please see the video at <https://goo.gl/Cxzvn4>

Ocean Woodturners Group on Yahoo! Our club has its own Yahoo! Group that we use to exchange information, ask questions, and sometimes to distribute our Newsletter. Membership to the Yahoo! Group is **not** automatic upon joining the club. If you would like to join the Yahoo! Group, please either request membership directly from the group site (<http://groups.yahoo.com/group/OceanWoodturners/>) or send an email to Jeff Mee at jmee@hotmail.com

Check out the new Ocean Woodturners Facebook page! It's brand new so we'll be adding content as time passes. Make sure to Like and Share, and help bring much-needed public exposure to our Club!
