Presidents Message

Last Call..... Ray Lanham tickets for Saturday Sept 21st. Ray is flying in from South Carolina to meet with us for a few days. We have a great crowd already booked and we still have room for a few more. Please let Rick know if you are planning on attending. We have a few guests from CT, as well as some from the Wood Workers Guild. This is going to be a great day of learning and meeting some new and old friends. If you can't make the meeting but want to attend Saturday e-mail Rick wholesalegroupri@aol.com we need this for the food count.

Sunday the 22nd is the Artist Exchange Festival fun for the whole family. Stop by and see us there with the lathes running. 10am till 4pm @ Rolfe square in Cranston.

Learn to Turn.....

Calling all pen makers... Thanks to a donation, **Wayne Collins donated 10 pen mandrels in honor of his father**, we will have 3 lathes running to make some pens for our vets. I'll have everything ready early 5:45 pm for this event. I've been practicing and these pens are a great deal of fun as well as a perfect way to use up all your wood scraps. We need a few pro pen turners to guide us. Please bring in pens if you have them, see Gene Amaral as he will be delivering them soon.

Ray Lanham will be our guest speaker for Thursday. He will be talking "wedgie sled" This is a must for segmenting.

As we look to close out a great year soon it's time to start thinking about election of officers for 2020. We will be looking for a nominating committee as well as anyone who wants to get more involved. With that said we have 2 exciting demo's lined up for Oct and Nov and then yes its Dec. Party Time (Wow time fly's when your having this much fun....)

Hope to see you at the next meeting.

EVERYONE NEEDS TO JOIN THR FREELIST EMAIL GROUP.
