Membership for 2019 has been gaining some ground each month. It is very important to keep this going strong. If you have some ideas for bringing in new members, we want to hear from you. Also, on the same note do you talk with members that have not been to a meeting in a while. Let them know what their missing. The club is only as strong as its members. Please get involved join a committee help us grow.

The classroom is ready to hold the demos. Keep in mind if you have tools no longer being used consider donating them to the club. Some day in the future this classroom will be a teaching tool for all of us as well as the students of Ocean State Academy. We now have 5 working lathes but only one set of live centers and drive centers. We also could use 2 pen mandrels for the pen lathes.

Everyone should be getting emails from oceanwoodturner@freelists.org if
