Presidents Notes

President's Note's

It has been 13 meetings since our move from E. Providence. The school is working out well, as we are planning to bring some turning knowledge to the students of Ocean State Academy. I have now been President for the past 6 months and it has been a fun challenge. When I found this location, I had thought it would be an easier commute for most, although the number of members attending doesn't seem as much as in the past location. I know there are a bunch of members who have not been to the school since the move. The club is still moving in a positive direction and I would like to encourage all members to come and support the club at future meetings. We are only as strong as our membership. Hope to see you there.

We have a great event planned for Saturday Sept. 21st a double presentation by Ray Lanham from South Carolina. More details to follow but please save the date. Also, in Sept the Artist Exchange Fair will be on Sunday the 22nd. We will be there with our lathes for some fun and looking to meet new members.

Ocean Woodturners Group on Yahoo!: Our club has its own Yahoo! Group that we use to exchange information, ask questions, and sometimes to distribute our Newsletter. Membership to the Yahoo! Group is **not** automatic upon joining the club. If you would like to join the Yahoo! Group, please either request membership directly from the group site

(<http://groups.yahoo.com/group/OceanWoodturners/>) or send an email to Jeff Mee at jmee@hotmail.com

Check out the new Ocean Woodturners Facebook page! It's brand new so we'll be adding content as time passes. Make sure to Like and Share, and help bring much-needed public exposure to our Club!
